

1. **Insurance** - Contractor shall maintain insurance coverage to the following levels: An Errors and Omissions Policy (P/L) must also be maintained and specifically address and provide primary coverage for Route Surveys, Flagging, Height Pole and Pilot/Escort Services as a covered work operation and noted in the work description area of the Acord Form. RSA shall require a minimum of \$1 million dollars of liability coverage for both the vehicle and the personnel of Contractor providing Route Survey Services under this agreement. Such Drivers and or passengers shall also be listed on the insurance documentation. RSA shall be listed as a primary "Certificate Holder" on these policies. Automobile insurance with combined single limit coverage of \$1M. Professional Liability insurance with an occurrence based policy of \$1M. Please have your Insurance Agent provide the Acord Form noting that you meet these requirements.

2. **Independent Contractor** – The contractor is not considered an employee of RSA Network Inc. As such, Contractor is not entitled to Workman’s Compensation benefits from RSA. Therefore, neither Contractor nor its agents, employees shall be considered as employees of RSA at any time under any circumstance or for any purpose. The Contractor is therefore solely responsible for providing Worker’s Compensation insurance coverage for Contractors’ employees and/or agents. Neither party is the agent of the other party nor shall neither party have the right to bind the other by contract. Contractor shall supply RSA Network Inc. with copies of the workers compensation polices and they shall be faxed/mailed to RSA directly from the Insuring Entity and noting all persons covered under this policy.

IN WITNESS WHEREOF, I state that the drivers and the vehicles meet the above criteria. Dated on the _____ of _____, 2012
